A Pocket Guide in Figures

Keizai Koho Center
Japan Institute for Social and Economic Affairs

The Keizai Koho Center has published a pocket-sized, English-language statistical booklet filled with the latest international data which will guide you to understand the global business environment. This year we have enlarged the size of the booklet for easier reading.

This issue consists of 70 items in five chapters, including economic growth rates, trade balances, exchange rates, foreign direct investments and their destinations and number of foreign tourists of major countries such as Japan, U.S., China, U.K., Germany and South Korea.

Data for the past 10 years are visually shown with colorful graphs and tables indicate numerical values, making it useful for various business and research purposes.

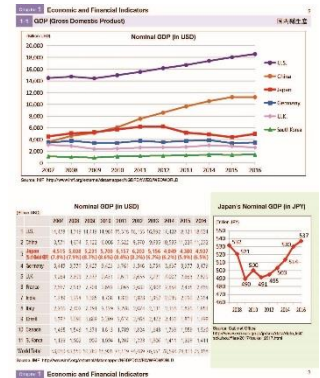

Please use the following form if you wish to purchase copies of our statistical booklet.
